

## MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Adrian Ocegueda, Executive Assistant to the Mayor

SUBJECT: Amendment to Tax Increment Finance District Number One

DATE: August 18, 2004

---

The Tax Increment Finance (TIF) District was terminated in 1998. At that time the parties had mutually agreed that the remaining balance of the fund was to be used for a festival marketplace, hotel development, downtown housing, or an expansion to the library. All of these authorized uses were to fall within the boundaries of the TIF District. If the funds were to be used for projects outside of the scope the agreement would require an amendment. Currently there is a balance of \$1,885,686.22 in the TIF District Number One.

The City is proposing to use the balance of the funds for exhibit design, fabrication and installation to be utilized for the new History Museum currently under construction as part of the Cleveland Square Project. Specifically, these funds will be used in the development of exhibit space for the museum. As required under the TIF District this project is located and benefits the boundaries encompassed in TIF District Number One. The City's Museum has estimated a range of costs needed to build out the exhibit space, the current funds remaining in the TIF District fall within that range of costs. Project scope will be modified in order to meet the required estimates.

To date, the chronology of TIF Number One Amendment is as follows:

6-8-04 – Amendment approved by EPISD.

6-9-04 – Letters to Hospital District, EPCC and County re: Proposed Amendment to TIF #1 Termination Agreement and requesting placement on next available board/commission meeting.

No action taken City staff believed Item was tabled to next Finance Committee Meeting.

7-14-04 – Amendment approved by EPCC at meeting.

7-29-04 – Thomason Finance Committee Meeting – Item not on agenda.

8-26-04 – Item to be considered by Thomason Finance Committee.

I respectfully request that the City Council approve this amendment to the 1998 termination agreement in order to allow the remaining TIF funds to be used for this purpose. All funds are projected to be utilized, thus leaving the TIF fund balance zero and completing all of the party's commitments to the Tax Increment Finance District Number One.
